Article I
Agreement on Program Integrity

Wayne State University and Jackson College will maintain the integrity of their separate programs and enter into this agreement as equal and cooperating ~~partner~~ institutions. ↵

Article II
Agreement on Principle

This agreement is intended to provide a smooth and seamless curriculum transition for Jackson College students that transfer to Wayne State University to earn a bachelor degree from the College of Education. The agreement is designed for students who follow a prescribed plan of study leading to an Associate of Applied Science in Sport Administration with the Michigan Transfer Agreement (MTA) endorsement. The credits transferred from the outlined appendices to this document, will be included in the total credit hours required for the Wayne State University baccalaureate degree. All other standard admission, curriculum, and graduation requirements of JC and WSU must also be satisfied.

Article III
Agreement of Program Articulation

Wayne State University and Jackson College agree that any student, who has earned the aforementioned Associate of Applied Science in Sport Administration with MTA endorsement, may transfer the credits from their program to the WSU College of Education toward the B.S. degree in Sport Management.

This agreement specifically allows the transfer of up to seventy-six (76) credits from Jackson College to WSU. This is beyond the currently stipulated sixty-four (64) credits that was approved by the WSU Board of Governors. The purpose of allowing students to transfer additional credits is to enable them to complete the Associate of Applied Science in Sport Administration with MTA endorsement with a minimal loss of credit and maximize transfer credits toward their B.S. degree.

The Bachelor's degree requirements for students who follow this articulation agreement are outlined on the Curriculum Guide (Attachment A).

Article IV Agreement on Student Support

WSU and JC agree to track the progress and success of articulation participants. Responsibility for this tracking rests with the WSU College of Education in conjunction with the WSU Transfer Student Success Center (TSSC).

Article V Agreement on Communication

WSU and JC agree to cooperate in communication with each other and with common and respective publics concerning the established relationships between the two institutions. Communication will include the development of various kinds of publications to inform those who might benefit from the opportunities provided by this articulation agreement. The appropriate faculty and staff in both institutions will share the information in this agreement with interested and qualified students. Both institutions will provide academic advising to students and prospective students. Joint efforts in marketing the program and student recruiting will be pursued.

Both institution further agree to communicate annually concerning curriculum changes that may affect the agreed upon program relationship. Responsibility for communication related to this agreement will rest with the individuals appointed under Article VI.

Article VI Agreement and Review Body Procedures

Each institution will appoint one or more ~~faculty~~ administrators to act as agents for the implementation of this agreement, and communicate changes to respective faculty members, advisors and others to whom the information is pertinent. Responsibility for the oversight of this agreement rests with the respected academic departments at both institutions.

Article VII Regarding Independent Relationship

In the performance of their respective duties and obligations under this Agreement, each party is an independent contractor and neither is the agent, employee, or servant of the other, and each is responsible only for its own conduct. Each institution is solely responsible for the development and design of its own curriculum. Changes on the part of either party will/may necessitate review of this document.

Article VIII Agreement not to Discriminate

Each institution covenants and agrees that it does not discriminate on the basis of race, creed, ^{or other legally protected categories} religion, color, age, sex, or national origin, and it complies with the Americans with Disabilities Act of 1990, and that it does not discriminate on the basis of "physical or mental ^{disability} handicap" except where there exists a bona fide academic qualification. KT

Each party shall be separately responsible for compliance with all federal and state laws, including nondiscrimination laws and all applicable sections of the Michigan Handicapper's Civil Rights Act. Illegal discrimination by either party may be considered a material breach of this Agreement.

Article IX Entire Agreement

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, are hereby merged into this Agreement.

Article X Amendment/Modifications/or Terminations Provision

Each institution agrees to the terms of this Agreement. No amendment or modification to this Agreement, including any modification or amendment of this paragraph, shall be effective unless the same is in writing and signed by all parties or their Successors.

This cooperative arrangement will be in effect immediately upon signature and will be subject to review for continuance after a period of five (5) years. Renewal will be for five years unless either party notifies the other in writing by December 31 of the year preceding the last year of the agreement of their intention to renegotiate or of non-renewal of this agreement.
