This transfer plan will help guide you in making the transition from community college to Wayne State University. <mark>WSU **strongly** recommend that all transfer students to meet with a WSU advisor to ensure you are taking the correct courses before transferring</mark>: https://education.wayne.edu/admissions.

One of the main areas of focus for transfer students is the WSU **General Education Requirements.** These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:
