This transfer plan will help guide you in making the transition from community college to Wayne State University. ==WSU **strongly** recommends that all transfer students meet with a WSU advisor in order to ensure you are taking the correct courses before transferring.== Here's the advisor contact information to set up an appointment:

Computer Science (Macomb & Oakland County): Colleen McKenney colleen.mckenney@wayne.edu
Computer Science (Wayne, Washtenaw & Monroe County): Stephanie Chastain schastain@wayne.edu

One of the main areas of focus for transfer students is the WSU **General Education Requirements.** These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

Michigan Transfer Agreement (MTA)
A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:
https://www.midmich.edu/application/files/3915/2269/6500/MTA_work_sheet_4.2.2018.pdf

Direct Course Equivalencies for each category
▪ If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
▪ Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
▪ Courses with an **asterisk (*)** fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
