

WSU **strongly** recommend that all transfer students **fulfill their general education requirements through the [Michigan Transfer Agreement \(MTA\)](#) before transferring to WSU**. Each community college has an MTA approved course list of its own, so please refer to the list of courses that your respective community college has approved for MTA. If you do not have an MTA or MACRAO endorsement, you can transfer each course from the WSU's gen ed category here: [Michigan Community College General Education Tables](#).

In addition to completing WSU's general education requirements through the Michigan Transfer Agreement (MTA): <http://www.schoolcraft.edu/academics/michigan-transfer-agreement>
 Students must fulfill requirements for the college/major of interest below (**no more than 64 credits from a two-year school will apply toward a Wayne State University degree**):
